THE ASSESSORS AND PENSIONS.

glad to know that there is no indecision on the part of the Norwich, assessors with respect to their acthe exempt pension law.

ion from him that the vemaining sec-

will be entered and honored in Nor-

been studied Bob White has been found o be the most useful to the agriculurist because of his destruction of Margaret Morse Nice has excelled the agricultural department at Washingten for exhaustive study of the food habits of this popular bird and has iscovered in its diet 61 species of noxious weed seed, which, added to the 63 siready known, makes a total for 135 species of insects, among which is the cut worm, squash bugs, potato ugs, peach tree borers, the carpet beetle and the Hessian fly.

Among the insects Bob White has

a day has been 1,350 flies, 5,000 plant lice, 1,286 rose slugs, 17 crasshoppers, 65 large black crickets, 00 bugs, including 300 grasshoppers. which shows how useful a flock of hem would be on a farm.

Mrs. Nice estimates that a ben quall will eat 75,000 insects and 5,000,000 weed seed in a year-about 742 pounds of insects and 10 pounds of poxious, weed seed per bird.

A pair of quail, this writer says, will a hundred eggs a year-and from five hens she had in capivity she produced an average of 65 eggs aplece. She regards Bob White too a bird to farmers to be killed for port especially when the country is actually suffering for just such a helpin large numbers.

Nature and Culture, a little monthly magazine printed by Eugene Swope at Cincinnati, sends out a beautifully which may be had by any bird student for two 2-cent stamps. It does not tell says enough to dispel all doubt as to the usefulness of quall as reducers of insect pests-and noxious weeds.

THE ELECTRICAL BUSINESS.

A preliminary report, issued by the census bureau shows that the manufacture of electrical machinery, apcreased in the five years between 1904 and 1969.

creases in all the items at the census of 1909 as compared with that for

The number of establishments increased 29 per cent.: capital Invested of per cent.; the gross value of products \$7 per cent.; cost of materials 62 per cent.; value added by manufacire 52 per cent; average number of wage earners employed during the ear 44 per cent.; number of salaried officials and clerks, 69 per cent; amount paid for wages 55 per cent; amount paid in salaries, 82 per cent.; miscellaneous expenses 32 per cent.; primary horsepower 51 per cent. There were 1,009 establishments en-

gaged in this industry in 1909 and 784 in 1904, an increase of 29 per cent. The capital invested, as reported in 1909, was \$287,844,000, a gain of \$93,778,000, or 54 per cent, over \$174,066,000 in 1904. The average capital per establishment was approximately \$265,000 in 1909 and \$222,000

in 1904. The value of products was \$221.an increase of \$50,000,500, or 57 per cent. The average per establishment was approximately \$219,000 in 1909 and

3180,000 in 1904 The cost of materials used was \$108,566,000 in 1999, as against \$66,-

\$27,000 in 1904, an increase of \$41,-739,000, or 62 per cent. The value added by manufacture was \$112,743,000 in 1909 and \$73,972,000 in

1964, ah increase of \$38,771,000, or 52 jumped over the moon. This item formed 51 per cent, of the total value of products in 1905 and 52 per cent, in 1904. The value added by manufacture represents the difference between the cost of materials used and the value of prodncts after the manufacturing processes have been expended upon them. It is

The single tax idea of Henry George

will not flown—it has come to stay. It demonstrates its own merit and al-though the author of it has been gathered to his fathers, the principle lives in all its potency and is convincing the world of its practical value. Since the single tax plan has beme a demonstrated fact in Vancouver and elsewhere, the movement has ver and elsewhere, the movement has gained great momentum throughout the world, according to addresses in Chicago during the National Single Tax conference. The speakers contended that the more equitable adjustment of tax for the maintenance of the government would reduce the cost of living by putting an end to the indirect taxes now imposed in the

compt was made to shoot these anomalies. A bantam pullet covering a clutch of incubated eggs in the ashes of the books on birds is the nearest approach to a phoenix which we will have this season. I am not sure that deer were not firelighted by the phosphorescent glow from the bins of burning coal in the cellar, for tiny hoof prints were seen around the black walls.

TEHUANTEPEC.

Practically 100 million dollars' worth of domestic merchandise from the United States was transported across the isthmuses of Panama and Tehuantepec in the fiscal year 1911 via the two railway lines connecting, in the one case, Panama on Pacific with Colen on the Atlantic, and, in the other, Salina Cruz, the Pacific terminal, and Salina Cruz, the Pacific terminal, and a mgn's success. Great men usually under its forefeet was caught from the Tehuantepee with Puerto Mexico on the Colchester the Atlantic.

Salina Cruz, the Pacific terminal, and a mgn's success. Great men usually under its forefeet was caught from the Dr. Johnson bridge on the Colchester turnpike,—and so on ad nauseam. But it was a passing snow and the barker's voice was strangely silenced.

The refugees from the Quail Trap have taken the adjoining farm, which was vacant, so that the present field of bird observation will be the same as at the old bungalow. But what shall we call the new headquarters? Shall we date our notes from the New Quail Trap, the Annex, or the Quail Trap, Jr.? The old delvers in heraidle devices say that Rawson is a corruption from the original Ravenson, and as a

bright smile as she replied:

"That is true, Nathan; but it did seem nice to have them all here at the old place for Thanksgiving; and I feel as if we had not many more years ahead of us; and I want them all to come as long as we are here."

Everything seemed bright about the cheevy room, where the old couple were

sitting: and Nathan Hewitt little real-

The Crowning Joy of Their Thanksgiving

"Well, Wife," said Farmer Hewitt, determination to see always the best

as he came in from the barn, "we had a fine time yesterday; but it seems nice to be just by ourselves again. I am afraid that you and I are getting

I am afraid that you and I are getting too old to enjoy such a racket for many days at a time. We are not so With capable help in the kitchen and

men had killed as many, it is easy to imagine what would be the effect of the game supply next year. But many did not secure half a dozen birds, and many others, discouraged by the many leaves and hard rains in October, gave up shooting. One man did not get his ilcense till the last legal week, one in another town not till the last day of grace, and still another took out a license when he had neither dog nor gun and never went hunting in his life. To the credit of the sex we can report that no woman was licensed anywhere in this part of the state. The Quali Trap refugees did not need to shoot to supply their table, for one neighbor sent in to us four woodcock, another three grouse, and a third thoughtful neighbor sent a lot of dressed gravelbottom pouts. We were also offered rabbits and squirrels by the youngest Nimrod in town. A seaside friend sent chicken lobsters and Mumford Cove chicken lobsters and Mumford Cove

One of the incidents of the chase here was the peppering of Cyril Paine's face and arms with No. 9 shot by the crossfre of a party of four gunners. A chicken-partridge, followed by a rain of shot and bilinded by fear, dashed through a window of the Woodstock library. This is not a rare occurrence in my own experience. I have eight local records of ruffed grouse, terrorized by pursuit killed by flying against ized by pursuit, killed by flying against barns and sheds. Goshawks appeared as early as October 17, and have been seen harrying the Hungarians.

A special permit to collect for scientific purposes will not be applied for at the new point of field observation. But for several days, in the last of the migration, our big black last of the migration, our big black Persian cat seemed determined that we should begin a new collection of birds, for he brought in juncos and a treesperrow, and we freed fox-colored tree-sparrows from his taions. If Teddle had not gone back to his proper quarry of red squirrels and rats, it would have been the lethal chamber for this erring namesake of the first American citizen. Generous sympa-American citizen. Generous sympa-thizers in Chicago. Norwich, Hyde Park, New York and elsewhere, have made offers of a series of skins, eggs, and bird books, for special study and as a nucleus for a new collection.

as a nucleus for a new collection.

worked hard to get his profession, an worked hard to get his procession, and deserves to succeed."

"I wish Tom could have been with ug," added Mrs. Hewitt with a gentle sigh, "but he is too far away to be expected. He is doing well, he tells us, but Australia is a long way off and we can hear from him so seldom."

"Now, don't worry over Tom." replied her husband. "He will come out all right He has too much of his all right. He has too much of h mother in him to go wrong and w win friends wherever he goes." Children had filled the house wit their laughter and happy frolic the da before; and roamed over the farm, th little city cousins filled with wonds and pleasure at the strange thing shown to them by the country bre anowh to taem by the country ore lads and lassies, only too eager to dis play their knowledge of the surround ings to the visitors. They had mad their elders happy as they watches them, and today the echoes of their merriment still remained about the ob-tince:

"Not a bad looking or ill behave "Not a bad loosing of it behaves one in the lot," boasted their grand father, "and I am sure they will grow up to do the old name credit." "Yes," assented Grandma Hewitt "we have so much to be thankfor for that my heart is full to overflowing; lorg life, presperity, dutiful children and loving grandchildren. What more can we ask?"

"Thank the Lord for his mercles," added her hust and reverently.

Just then came the summons to the midday meal; and they were amazed.

Just then came the summons to the midday meal; and they were amazed to find how the time had slipped away while they were recalling the events of their Thanksgiving day.

But the climax of all came to them while they were at the table to which they had been called. A rap at the door was launediately followed by the entrance of a young man whom they welcomed with great joy.

Their boy Tom, the youngest of the flock, would always be "my baby boy" to his mother.

flock, would always be "my baby boy" to his mother.

"I found it possible," he explained, "to get in a short trip home just now. Meant to be here for yesterday, but missed connections. I always was the 'day after the Fair,' you know, Anything left for a hungry man to eat? I've been tasting Mother's pies all the way from the city. Went up to see Ben, and they wanted me to stay there tonight, but I was in a hurry to get here to the old place and you. It seems good to be here again, although it can be only a flying trip."

It seems good to be here again, although it can be only a flying trip.'
How great was their pleasure in
seeing him was plainly seen in the
faces of the old people. How they
hung on every word that fell from
his lips: How they loaded his plate
with dainties till he cried for mercy!
The crowning joy of their Thanksgiving had come as an after-thought.

AN IDLER

SUNDAY MORNING TALK

THE SPIRIT OF THANKSGIVING.

It is not often that a man realizes what a dependent creature he is. Most of us think we pay our way in this world. We are not obliged to ask favors, Independent, self-sustaining mor-tals that we are, we do not enjoy ac-knowledging obligation to anyone. We This attitude of mind, however, is a wrong one, as is plainly seen when we think of the matter. No life that breathes is unindebted. About everything one has is a sift. You are the heir of all the ages that have preeded. You have entered into the labors of a host before you. Take a rapid survey of your benefactors now to see whether or no you are a debtor. This attitude of mind, however, it er or no you are a debtor.

with capable help in the kitchen and on the farm, their declining years were funning on peacefully, and as their steps were turning on peacefully, and as their steps were turning westward, they could place for Thanksgiving; and I feel as if we had not many more years ahead of us; and I want them all to come as long as we are here."

Everything seemed bright about the cheery room, where the old couple were sitting; and Nathan Hewitt little real-old people. You are a member of a family circle. tellect on what was done for ye here. Think of mother's incessal acrifice during the period of you elplessness. Have a thought for the labors of father, who uncomplainingly bore the burden and heat of the day for your support. Estimate the care with which you were for many long years surrounded.

You are a free citizen in a great remained to the control of the con

rou are a free citizen in a great republic. You enjoy the power of free
speech, the privilege of the ballot, the
right of property. Have you personally ever done anything to secure these
great pessessions? Probably you have
never turned a hand to secure them.
You simply take them as a matter of

Thanksgiving brought them all to-gether, if possible, and today the fa-ther and mother, left once more to themselves, were recalling the events of the previous day. The three mar-ried daughters lived in the vicinity; and they and their children were so often at Trandma's that both mothers and children could act as hostesses to those from greater distances.

"I am sure I dan't know how I "I am sure I don't know how I should have got along without the girls yesterday," continued Mrs. Hewitt in a musing tone. "Wasn't Mary's angel cake delicious." And Martha made all those little pound cakes that the children liked so well." Remember now with how great price you have obtained your In your behalf a hundred battlefield have smoked and run red with blood Ten thousand martyrs through th ages have yielded their lives to give made all those little round cakes that the children liked so well."

"All right," replied her husband.

"Who made all the pies? I'd rather have them than the cake."

"Oh. I did those some days ago."

"I thought so. Can't fool me on pies. I know yours every time, and nobody can best them, not every

You enjoy the comforts of this modern civilization. How many soldiers of the common good are working in your behalf! Consider your breakfast table this morning. Workers from many climes conspired together to set the meal before you. The ends of the earth were drawn upon for your pleasurements, will be two Pentscostal outpourings of the Holy Spirit? (W. J. E.)

Answer.—Glancing about over the world today, and noting the events of the past we see that at no time thus far has the Lord's spirit been "poured out upon all fiesh." But we do see that, beginning with the day of Pentscost of the past we see that the poured out upon all fiesh." But we do see that, beginning with the day of Pentscost. sufferings. You enjoy the comforts of this modan beat them! not even your own daughters."
"Then Ben's wife made the salads.

"Then Ben's wife made the salads, and they did look so pretty."

"Very good; but who stuffed the turkey and made the chicken pies? They seemed to be in greater demand than the salads, I noticed, for I did the carving. Ben offered to do it, but I told him I would serve my own table as long as I was host. I have not forgotten how to carve a turkey yet; and ours are not tough enough to require much outlay of strength."

And so the talk ran on from one point to another of the feast, which included so many of the old-time dishees, for Mrs. Hewitt remembered all her children's especial favorites in that line, and tried to cater to them all. with gratitude and remember the cos in human effort of that which he cats and wears.

How About Your Xmas Shopping?

Pretty near time to begin it, is it not? We would suggest our store as a pretty good place to start it in, too.

What better, more useful and pleasing gifts can you buy for the home and those who live in it than something in our

Just remember this when you are buying Furniture. GOOD FURNITURE NEED NOT BE EXPENSIVE FUR-NITURE." That's one of the lessons taught by our buying abilities for our "Big Store."

Two surprises greet every prospective purchaser upon entering our store.

FIRST SURPRISE-The variety, beauty and amount of our furniture stock.

SECOND SURPRISE-The inexpensiveness and exceedingly low prices of this high quality furniture.

Come in and get a surprise.

Cost, the Spirit has been poured out upon the Lord's servants and handmaldens. And this was just as the Apostle stated to his hearers on the day of Pentenost, that it would be "in those days" that this would occur. As the result of the outpouring of the Spirit upon the Lord's people throughbeen able to prophesy (teach or expound) concerning the Kingdom of God and the Divine purposes, But "afterwards" (Joel B, 28), after those Q.—How shall we understand the Apostle Peter's words where he says, quoting from the prophecy of Joei—
"And it shall come to pass in the last days, saith God, I will pour out of My spirit upon all flesh; and your sons, and your days there shall prophesy, and carth, until all shall know the Lord will prophesy, and earth, until all shall know the Lord from the least to the greatest, for the knowledge of the glory of the Lord shall fill the whole earth as the waters now cover the great deep! - Habakkuk
